Is of such great value that one ought to take more than ordinary precautions to guard against every possible trouble.

If you have even a remote suspicion that there is any trouble with your eyes it will be for your own best interests to have your vision tested and trouble, if any, removed.

Very simple troubles may develop serious results if not properly treated. Ordinary failing eyesight receives our most careful attention, both as to glasses and frames.

It's just as important to have the right frame as the right glass, and from our large stock we can give you the cor-rect thing in either Gold, Silver or Steel,

We make no charge for examinations, and if yours is a case requiring the services of an oculist we will frankly tell you so.

Therefore THE LEDGER favors the rigid enforcement of the Civil Service

THERE is still a squirming struggle by the Free-traders against the admirable Tariff that became a law the twenty-fourth of July, 1897. These any of the polls and everything passed for the Ravolutionary War and the law is extremely a properly of pleasantly, the entrance of women for the Ravolutionary War and the law is extremely a produced as the entrance of women for Protection that enabled us to establish American Industries along with twenty-fourth of July, 1897. These lish American industries along with "The women have done nobly. our independence. What burt England most when she lost her colonies was that we set up manufacturing for our selves. Then England was, counting by time and freight charges, as far our independence. What burt England by time and freight charges, as far away from us as Australia is now, and London is as near us now as, by the or voiling as has ever been manifested by some measurement, Beston was then.

Protection is much more important new than then, because the competition, instead of being on the other side of the werld, is right at our doors.

"BHADSTREETS," which is recognized as a most conservative publication. The Dawes Indian Commission Will summarizes the business situation:

"1. That the crops are good.

"2. That the price of wheat and otton has so greatly advanced as to pour scores of millions of dollars into the laps of the farmers, while the price of other staples has advanced in sympathy with these.

"3. That short crops in Euro India and Argentina assure a continuuce of these high prices during the narket season.

"4. That merchants everywhere are eplenishing their stocks of goods as they have not done for several years past.

'5. That in consequence railroad

Why doer Ripley silvays have a big at-tendance attis Pair? Because the admis-sion fee is only 25 cents and horses and tendance attis Pair? Because the admis-sion fee is only 25 cents and horses and tendance attis pass and pays in gold he-fore the stock leaves the ring, and he-cause the Pair is held on the nicest Pair-grounds in Ohlo.

It is always gratifying to receive test-monials for Chamberlain's Colic. Cholera and Diarrho's Remedy, and whon the in dorsement is from a physician it is espe-cially so. "There is no more satisfactory or effective remedy than Chamberlain's Colic. Cholera and Diarrho's Remedy." writes Dr. R. E. Robey, physician and phartmacit, of Olney, Mo. and as be has used the Remedy in his own family and

CITY ELECTION IN BOISE, IDAHO.

women were enfranchised isst November was held in Boise, the capital, on July 18th. The contest hinged on the question of having or not having reaconable city improvements. Among other things the city has never compelled property owners to put down sidewalks. The 'improvement' candidate for Mayor was Mr. Alexander, a man of moderate means, good reputation and a Jew. The conceing candidate was Mr. Sonna a women were enfranchised last November opposing candidate was Mr. Sonna, a nan of wealth and thoroughly respected. As Mr. Sonna is interested in temperance and Church affairs, it was predicted that the vote of the women would be for him. But the majority of the women recorded their belief in city improvements and Mr. Alexander and a progressive Council were elected by a much larger plurality than had been hoped for. Mrs. Carrie E. Myers was elected City Collector, and there was a tie for City Clerk between Miss McCres and Mr. Blake.

Miss McCrea and Mr. Blake.

Two years ago the total vote was 85,0 per cent. of the registration, this year it was 65.7. The women's rote was 67.7 per cent. of their registration. Two women were employed in each ward as distributing and enrolling clerks. The Idaho Dally Stateman said. "The election was remarkable for its order lines. There were no unpleasant incidents as a way of the rolls and serverible present.

NEGOTIATIONS

To Be Resumed With the Five Civilized Indian Tribes.

***5. That in consequence railread carnings everywhere show improvement.

**%6. That there are already signs of revival in infinistry, the manufacturers beginning to anticipate the new demand for goods.

**7. That our exports for the last year have been so enormously in excess of our imports as to make us very heavily a creditor Nation—a condition that does not guarantee prosperity but tends strongly to help it.

***8. That there is everywhere among the farmers a feeling of hopefulness which has not existed for several years.

If you want a week of solid enjyment. meet jour friends and see the finest exhibition of stock in Northers Retuteky, don't fall to attend the Germantows the farmers have been seen to be solid enjyment. The first September 1st, 2d, 3d and 4th. Why does Ripley always have a high tendance at its Pair' Because the admission fee is only 28 cents and horses and tenans are administration on personnel stems are seen in the solid or produced with the control of the co

Woodding N. J., Aug. 23 — The main building of the J. P. Thomas & Sons co., fertilizer manufacturers on Mantum creek, near Paulishoro, were burned sunday. The loss is estimated at £5%, 000, upon which there is about \$100,000 insurance. The buildings overved machinery. Only three of the smaller buildings were saved, which included the office and acid house. The schooner Addie B. Boson, of Philadelphia, which was allscharging a cargo at North Carolina dock took fire and is nearly a total loss.

A General Conference Probable.

Agency of North Carlot College of the Carlo is unearly a total loss.

A General Conference Probable.

COLUMBA. O, Aug. 33.—President Ratchford and Sunday alcht before leaving for Uitsburgh, that he expected the result of the conference of the conference of the conference of all the coal operators and miners of all the coal operators and miners of all the coal operators and miners of the entire country would be that a peneral conference of the entire country would be that a peneral conference from Sunday's conference.
